Soldier Settlement Board
Canada

MINISTER'S OFFICE

OTTAWA - 4th July, 1924.

The Honourable Charles Stewart,
Minister of the Interior,
Ottawa.

Sir:

We are now in receipt of an application from Mr. Carrier, requesting that patent to his soldier grant and homestead should be issued in favour of the Board. Mr. Carrier states that he has complied with all duties in connection with his soldier grant and homestead and would be entitled to receive patent thereon were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler under the 4th ultimo, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, certain regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1924 (P.C. 1024), which enable the Minister, on application of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the [illegible] be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Referring to my memorandum of the 7th instant, I am to advise you that this settler applies for patent for both homestead and Soldier [illegible] days May, 1915, and his applications were accepted.

Under these circumstances it is apparent that the applications for patent, which were taken on the 16th ultimo, were unnecessary and would appear to have been due to an oversight or misunderstanding on the part of Mr. C. A. Cowell or the Homestead Inspector.

As the entrant has completed his duties and has asked that title to the land be issued to the Soldier Settlement Board, it is presumed that you will proceed with the issue of patent.

Entries of Samuel Margreaves.

Samuel Margreaves has furnished proof of the performance of the requisite settlement duties in connection with his homestead and soldier grant above mentioned and but for the charge which has been created by reason of a loan under the provisions of the soldier settlement Act, he would have been entitled to patent.

However, under the provisions of the Order-in-Council of the 4th June, 1921. (P.C.1321) the Minister has signed a vesting order in favour of the soldier settlement Board and under the circumstances I would ask you to proceed with the issue of patent for the quarter-sections in favour of the Board in accordance therewith.

[illegible] Re: Department of [illegible] Land Agency, [illegible] Alberta.

Mr. [illegible] has made application for patent for the south [illegible] Land, and in dealing [illegible] the evidence furnished [illegible] sufficient proof [illegible] conditions.

Information on [illegible] Office records [illegible] Calgary District, [illegible] these applications [illegible] patent in Township [illegible], Range [illegible] transposed Mr. Colton's entries and [illegible] the application for the south west quarter as a Soldier Grant and the South East quarter as a homestead, and consequently the answers are not really correct, as Mr. Colton's attempt to certain duties on such and such a parcel of land as his homestead, whereas the said land was his Soldier Grant and vice versa.

In getting forth the duties on form 8a, I have shown same as having been performed on the right land, that is, the South East quarter is shown as the homestead and the South West quarter as the Soldier Grant.

These applications for patent are otherwise satisfactory and have been recommended by the Agent Dominion Lands, and under the circumstances you might advise me as to whether the Department is prepared to accept the evidence as furnished, or whether it is decided that fresh applications for patent should be taken showing the duties having been performed in connection with the South East quarter as the homestead and the South West quarter as the Soldier Grant.

D.S.P.File No.4-27

Canada

Ottawa - 24th June, 1914.

The Hon. Martin Burrell,
Minister of the Interior,
Ottawa.

Sir,

[illegible]

From the Board's [illegible] settlement duties and [illegible] establishment to [illegible] his homestead and stock and his unpatented homestead and soldier grant above described. Owing to such [illegible], patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Holley [illegible] that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Holley states that he has completed all duties in connection with his homestead and soldier grant and should be entitled to receive patent therefor save in so far as he is entitled to remitted by the letters of April 17th last, from the Secretary of the Department to the settler, copies of which are attached hereto.

In order to enable a settler to [illegible] a sale of land in cases of this character, special regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1914 (P.C.1141), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ of S-7-1-w.4th M. and the N.W.¼ of S-7-1-w.4th M. be vested in the Soldier Settlement Board. The [illegible] Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Madam,

re [illegible].
Deceased - [illegible] Mitchell (deceased).

Referring to [illegible] correspondence in connection with your application for [illegible] of your deceased husband, the late [illegible] Mitchell, I beg to say that under an amendment to the Dominion Lands Act, letters patent for a homestead may now be issued in the name of the deceased entrant.

Under the circumstances, the filing of letters of administration of the estate is not obligatory upon the next-of-kin and if you will furnish the Department with a certificate of death or other satisfactory evidence establishing the demise of Mr. Mitchell, patent will be issued in the name of the deceased entrant direct.

It is assumed you understand that in any event you will require to take out letters of administration before you can make any disposition of the property, but this phase of the matter in no way concerns this Department.

Your obedient servant,

Secretary.

interest was issued in the name of Cyril Hunter for the . . 32-59-14-.4th on the 3rd of January, 1922, subject to the 1917 lien. The . . 14-6-13-.4th was formerly the second portion entry of the latter was a entry was later cancelled. The land was re-entered upon by a Mr. Walter Kozuchowski to whom patent issued in 1943, and there is no record of the lien having ever been registered against this land.

According to an abstract of Title dated the 25th of January, 1956, the . . 32-59-14- .4th now stands in the name of a Mr. Tom Arthur of Athabasca, Alberta, subject to the lien, while the . . 14-6-14- .4th now stands in the name of a Mr. Walter Kozuchowski of [illegible], Alberta, clear of any encumbrance.

The S.W. 32-59-14-W.4th is of low assessed value and has never been revenue producing sufficient to enable the repayment of the lien. In reply to our questionnaire of the 25th of June, 1952, the Secretary-Treasurer of the Municipal District No. 90, advised us that the land was no longer being operated and that there was an accumulation of $57.24 arrears of taxes outstanding against it.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.
